Report on World Yoga Day

International Yoga Day is celebrated globally on June 21st each year. This day was officially recognized by the United Nations General Assembly in 2014, with the aim of promoting yoga as a holistic approach to health and well-being. The day serves as an opportunity to raise awareness about the numerous benefits of practicing yoga and to inspire individuals to incorporate yoga into their daily lives.

NSS unit of Laureate Institute of Pharmacy Kathog celebrated the International Yoga Day-2023 on the theme "Yoga for Vasudhaiva Kutumbakam". "Vasudhaiva Kutumbakam" is a Sanskrit phrase that originates from ancient Indian scriptures. It is often translated as "the world is one family" or "the whole world is a family." This phrase reflects the concept of interconnectedness and the belief that all living beings are part of a global family. When it comes to yoga, the principle of Vasudhaiva Kutumbakam emphasizes the unity and oneness that can be experienced through the practice

Subject: Multisectoral Mainstreaming Convergence Workshop for End TB under
chairmanship of Hon'ble Governor, HP on 27th March 2.45 PM at DC Office
Room No 823, Kangra at Dharamshala

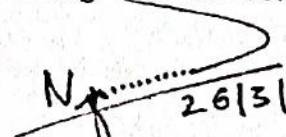

Sir/Madam,

I am to convey that India stands committed to the Top Public Health Priority- End TB by 2025. Apart from medical services for free diagnosis and treatment, the response envisages building partnerships with departments for stigma reduction, building capacities of institutions that impact population vulnerable to TB, and making social protection schemes more accessible to TB patients & families. PM TB Mukl Bharat Abhiyan is flagship initiative with many joining as Nikshay Mitras to provide psychosocial and nutrition support to consented TB patients. Various MOUs have been signed by line departments for mainstreaming at State level in this regard with National Health Mission under chairmanship of the Hon'ble Governor, HP.

District administration has taken a lead in stewardship with various innovations, and line department heads have been sensitized on the roles in the Zila Kshay Rog Samiti Meeting which was held on 24th March.

Multisectoral Mainstreaming Convergence Workshop under chairmanship of Hon'ble Governor, HP is scheduled to be held on 27th March 2.45 PM at Room No 823 DC Office Complex. The theme of World TB Day 2023 Campaign - 'Yes! We can end TB!' - conveys a message of hope that getting back-on-track to turn the tide against the TB epidemic is possible through innovations, accelerated action and multisectoral collaboration.

You are requested to make it convenient to attend the meeting. Queries/ confirmations be sent to dtohpkggr@rnitcp.org
