

4.1 Physical Facilities

4.1.1 The institution has adequate infrastructure and physical facilities for teaching learning. viz, classrooms, laboratories, computing equipment etc.

The institute boasts imperative infrastructure supporting an effective teaching-learning process. With 15 classrooms, 4 tutorial rooms, 23 laboratories, a seminar hall, and an auditorium accommodating 350 students, the physical facilities are well-equipped. Classrooms and seminar halls feature proper ventilation, brilliance, and audio-visual systems, including ICT tools like a public addressing system, LCD projectors, and internet connectivity. Beyond regular hours, the infrastructure is optimally utilized for certificate courses, co/extra-curricular activities, recruitment events, and conferences. Faculty members have well-furnished cabins, facilitating regular interactions with students for counseling and guidance. Additional facilities include a medical room, girls' and boys' common rooms.

Laboratories are equipped with cutting-edge machines such as UV-VIS spectrophotometer and HPLC, regularly calibrated and maintained. The institute houses specialized centers like a machine room, research lab, animal house, sophisticated analysis lab, and Bio-path lab. For computing needs, the institute boasts a substantial network of 172 computers with a 100Mbps bandwidth. This comprehensive infrastructure underscores a commitment to modern teaching methodologies, technology-driven education, and an enriching academic environment.
