Drug Discovery Process

In vivo literally means that which takes place outside an organism. In science, *in vivo* refers to experimentation or measurements done in or on to one from an organism in an external environment with minimal alteration of natural conditions.

Ex vivo is the study of an organ or tissue (functionally isolated from an intact organism) while *in vitro* is the study of a cell (or part of a cell) isolated from an intact organism in order to simplify the studies.

Subject. Multisectoral Mainstreaming Convergence Workshop for End TB under
chairmanship of Hon'ble Governor, HP on 27th March 2.45 PM at DC Office
Room No 823, Kangra at Dharamshala

Sir/Madam,

I am to convey that India stands committed to the Top Public Health Priority- End TB by 2025. Apart from medical services for free diagnosis and treatment, the response envisages building partnerships with departments for stigma reduction, building capacities of institutions that impact population vulnerable to TB, and making social protection schemes more accessible to TB patients & families. PM TB Mukh Bharat Abhiyan is flagship initiative with many joining as Nikshay Mitras to provide psychosocial and nutrition support to consented TB patients. Various MOUs have been signed by line departments for mainstreaming at State level in this regard with National Health Mission under chairmanship of the Hon'ble Governor, HP.

District administration has taken a lead in stewardship with various innovations, and line department heads have been sensitized on the roles in the Zila Kshay Rog Samiti Meeting which was held on 24th March.

Multisectoral Mainstreaming Convergence Workshop under chairmanship of Hon'ble Governor, HP is scheduled to be held on 27th March 2.45 PM at Room No 823 DC Office Complex. The theme of World TB Day 2023 Campaign - 'Yes! We can end TB!' - conveys a message of hope that getting back-on-track to turn the tide against the TB epidemic is possible through innovations, accelerated action and multisectoral collaboration.

You are requested to make it convenient to attend the meeting. Queries/ confirmations be sent to dtohpkg@nlcp.org
