LAUREATE INSTITUTE OF PHARMACY

(Approved by PCI & AICTE, New Delhi and Himachal Pradesh Govt.)

An UGC-Autonomous Institute of Pharmacy as off campus Research Centre

NAAC Accredited "A" Grade Institute recognized u/s 2(f) of UGC Act 1956

Affiliated to Himachal Pradesh Technical University, Hamirpur

V.P.O. Kathog, Tehsil Jawalamukhi, Distt. Kangra, H.P. (176031)

Ref. No.....

Date:.....

With the blessing of Goddess Jwalaji, it gives immense pleasure to present the annual report of Laureate Institute of Pharmacy for the Academic Year 2024-2025.

SALIENT ACHIEVEMENTS

- The institute was conferred with **Autonomous Status** by UGC, New Delhi and Himachal Pradesh Technical University, Hamirpur on 21/10/2025.
- MOU was signed with the reputed institutions and research organizations i.e. **National Institute of Pharmaceutical Education and Research (NIPER), Ahmedabad, Gujarat, India** and **CSIR-Institute of Himalayan Bioresource Technology, Palampur, H.P, India** for the research and development and training of faculty and students.
- MOU was signed with **Gautam College of Pharmacy, Hamirpur, H.P, India** and **Career Point University, Hamirpur, H.P, India** for the research and development and training of faculty and students.
- Under **FIST PG College Project grant of Rs. 85Lacs** from **Department of Science and Technology, Govt. of India** three equipments namely **High performance thin layer chromatography, Lyophilizer and Laboratory (Nano) spray dryer** were purchased and installed in the FIST laboratory.
- **2nd International Conference** titled '**Innovation in mesoscience and nanotechnology: A futuristic paradigm**' was organized on **13th-14th September 2024** in collaboration with **Faculty of Medicine, Universiti of Sultan Zainal Abidin, Malaysia**
- First batch of **Pharm D** was commenced in academic session 2024-25.
- **32 Research/Review publications** in **SCI/Scopus/UGC care Journals** with total impact factor of **45.18**.

- 10 Book chapters/Books have been published by faculties.
 - Eleven design patents granted to the faculty members.
 - 25 Faculty members actively participated in workshops/FDPs/Conferences/Seminars via online and offline mode.
 - Certificate courses (30 hours duration) in 'Community and Retail Pharmacy Practice' (Department of Pharmaceutics), 'Analytical Instrumentation Skills for Pharma QC Labs' (Department of Pharmaceutical Analysis), 'Modern Approaches to Clinical Pharmacy and Patient Care' (Department of Pharmacology), and 'Herbal Pharmaceuticals for Preventive Healthcare' (Department of Pharmacognosy) were conducted for upgradation of knowledge for the students from 01/07/2025 to 15/07/2025.
 - The institute conferred with 'Double Star' in Institutional Innovation Council Ranking 2023-24 (Results declared in December 2024).
 - The institute is actively participating NIRF and is focused to get ranking in the future.
- The data for the year 2024 have been uploaded on the portal.

PLAN OF ACTION CHALKED OUT BY THE IQAC IN THE BEGINING OF THE ACADEMIC YEAR TOWARDS QUALITY ENHANCEMENT AND THE OUTCOME ACHIEVED BY THE END OF THE ACADEMIC YEAR

Total number of IQAC meetings conducted: 01

Plan of Action	Achievements/Outcomes
Academic calendar, work load distribution, tentative lesson plan for all program and courses	Academic session was started and conducted as per the academic calendar of Himachal Pradesh Technical University, Hamirpur. The workload was distributed as per the norms of Pharmacy Council of India, New Delhi. Lesson plans were prepared as per the approved syllabus form Himachal Pradesh Technical University, Hamirpur. The academic session was smoothly conducted with effective teaching and learning process.
Orientation Program for newly admitted students	Orientation program was organized for newly

for all Programs	admitted students from 12/08/2024 to 17/08/2024. During the orientation program the students were made aware with the scope of pharmaceutical educations, different programs with program objectives and course objectives, code of conduct in the campus, anti-ragging guidelines, and student centric clubs and committees, examination system, and mentor-mentee system.
Submission of proposals for research projects/FDP/Conferences/Seminars/Workshops etc.	• A Project Proposal titled 'Identification of potent anti-atopic bioactive compounds from Himalayan honey and effect on atopic dermatitis' submitted to ICMR, Govt. of India. The proposal is under review. Amount: Rs. 4,68,7885.00 • A project proposal titled 'Traditional Medicines and Healing Practices' in collaboration with Dept. of Environmental Science, Dr. Y. S Parmar University of Horticulture and Forestry, Nauni; Dept. of Commerce, H.P.U Shimla; Dept. of Evening Studies, H.P.U. Shimla, Dept. of Nephrology, LG Medical College, Shimla submitted to ICSSR, Govt of India in Collaboration with School of Pharmaceutical Sciences, MRSPTU, Bhatinda, Panjab. The Proposal is under review. Amount: Rs. 30,00,000.00

Strengthen of IPR cell/Institution innovation cell	• Eleven design patents granted to faculty members and PG students
Research Publications/Books	• 32 Research/Review publications (Impact factor 45.18) SCI/Scopus/UGC care listed journals. • 10 Book/Book Chapters have been published by faculty members.
Add on Value added courses for students	Three value added certificate courses were conducted in the academic year as per the provision of time from academic calendar without disturbing the regular classes and final examination schedule of students. • Certificate course in 'Community and Retail Pharmacy Practice' (Department of Pharmaceutics). • Certificate course in 'Analytical Instrumentation Skills for Pharma QC Labs' (Department of Pharmaceutical Analysis). • Certificate course in 'Modern Approaches to Clinical Pharmacy and Patient Care' (Department of Pharmacology). • Certificate course in 'Herbal Pharmaceuticals for Preventive Healthcare' (Department of Pharmacognosy).
Industrial training/tour/orientation program for students	• The students of final year B.Pharm visited Glenmark Pharmaceuticals Ltd., Nalagarh, HLP (09/04/2025).

	• B. Pharm 6th Semester students visited herbal garden located at Neri, H.P (11/02/2025). • B.Pharm 4th Semester students visited Dehra Civil Hospital (03/04/2025). • Pharm. D First Year students visited Fortis Health Care, Mohali (31/01/2025).
MOU with Universities/Institutes/Industries/Organizations	MOU was signed with: • National Institute of Pharmaceutical Education and Research (NIPER), Ahmedabad, Gujarat, India. • CSIR-Institute of Himalayan Bioresource Technology, Palampur, H.P, India • Gautam College of Pharmacy, Hamirpur, H.P, India • Career Point University, Hamirpur, H.P, India Expired MOUs (ASBASJAS College of Pharmacy, Bela, Panjab and KLB, DAV Girls College, Palampur, H.P) have been renewed.
Placements	Placement cell placed the students in different industry, clinical research organizations and academia at different places in India. The placement percentage was 82% for B. Pharm and 79% for M. Pharm.
Guest lectures/Workshops/Extracurricular/Outreach activities for faculties and students	For multifaceted progress of faculties and students different activities such as guest lectures and workshops on different topics,

	sports activities, social activities (blood donation camp, TB awareness campaign, plantation drive, health camp through health van, awareness program on HIV, Kidney diseases, Polycystic ovary syndrome, Yoga day, Environment Day, Earth Day etc), National Science Day, Poster and slogan competitions, cultural programs, celebrations of National Days and Festivals were planned and executed in the academic year.
Infrastructure	• Capacity of Boy's and Girl's hostel was increased. • Increased number of smart class rooms. • Increase in class room, laboratory and examination infrastructure.
GPAT Examination	GPAT exam preparations were regularly conducted by dedicated faculty members for B. Pharm final and third year students.
Admission	Admission committee was assigned the responsibility to complete the Admission of students in different programs as per HPTU, Hamirpur and Regulatory bodies Guidelines.

FEEDBACK COLLECTED AND ACTION TAKEN REPORT

The IQAC takes every opportunity to solicit comments and suggestions from many stakeholders, including students, teachers, parents, alumni, and employers. The feedback committee is responsible for carrying out this activity. It collects and analyses feedback from the various stakeholders before submitting a report to the relevant bodies on the actions taken. The purpose of this activity is to assess the impact of the institution's actions on various stakeholders. The institution would like to expand its services to include all stakeholders with their satisfaction.

Stake holder	Feedback received	Action taken
Students	- Students requested extended library hours during examination period. - Students highlighted the need for improved Wi-Fi connectivity in hostels and common areas. - Demand for mental health and counselling support for girls. - Suggestion for availability of more drinking water at multiple locations of institute and improved sanitation facilities. - Students requested support for competitive exam preparation (GPAT). - Need for more digital learning resources and LMS support. - Students raised concern about insufficient seating arrangements in mess and common areas. - Students asked for eco-friendly initiatives on	- The Library Committee extended the library timings from 5:00 PM to 7:30 PM during examinations. - Upgraded the existing internet bandwidth and installed additional Wi-Fi routers in hostels, library, and student common areas. Regular monitoring of connectivity was initiated to ensure uninterrupted access for academic and research purposes. - The institution initiated regular counseling sessions with female counselors to address academic stress, personal issues, and emotional well-being awareness programs on mental health were also conducted in collaboration with external experts. - The institution installed additional RO-based purified drinking water units at multiple locations, including academic blocks and hostels. Regular maintenance schedules were introduced to ensure water quality. Sanitation facilities were upgraded with improved hygiene measures. - The institution introduced special classes and weekend sessions focused

	campus. • Demand for canteen menu diversification and hygiene improvement. • Suggestion for introduction of value-added certificate courses. • Students requested more research opportunities. • Request for transport facility for rural students.	on GPAT syllabus. Mock tests and practice papers were conducted to enhance exam readiness. Faculty members provided subject-specific guidance. • The institution upgraded the LMS with additional e-learning modules, recorded lectures, and interactive study materials. Access to digital resources such as e-books, e-journals, and online database was expanded. • The institution installed additional benches and seating arrangements in all student common areas, including the library, cafeteria, and open lawns. Shaded seating and chairs were provided to ensure comfort, and regular maintenance checks were implemented to keep the areas clean and functional. • The institution launched several green initiatives, including a tree plantation drive, installation of dustbins for waste segregation, and promotion of a "Plastic-Free Campus" campaign. Awareness programs on environmental sustainability were conducted for students and staff. The Eco-Club was strengthened to monitor and maintain these initiatives regularly. • The institution revised the canteen menu to include healthier and more
--	---	--

		varied food options. Regular hygiene inspections were implemented, and canteen staffs were trained in proper food handling practices. • All departments of pharmacy have already conducted value-added certificate courses successfully to enhance students' professional skills and knowledge. • All the departmental H.O.Ds made the platform for the more research work through the practice school and project work in the final year as per the curriculum. • The feedback was discussed in the IQAC and is under discussion to look for the feasibility.
Parents	• Online Payment mode should be provided in the canteen. • GPAT Classes should be started from the third semester. • Educational /Industrial visit • Interview grooming classes & career guidance lectures should be conducted • Parents should receive	• Online payment facility has been made available in the canteen. • Feedback is under consideration and will be discussed in the IQAC. • Various educational trips have been provided for the students, such as to Fortis Hospital, Industrial visit. • Placement cell is directed to conduct different grooming and career guidance classes. • Regular progress reports are shared with parents and Parents Teacher Meeting are held regularly.

	regular updates on their child progress, & Parents Teacher Meeting should also be held regularly.	
Faculty	• Request for more Industry Collaboration • Need to establish a center for student preparation for competitive exams. • Request for improvement in existing ICT infrastructure (e.g., more smart classrooms) and better library resources. • Request for specialized training in advanced educational technology and research methodologies. • Reimbursement of NPTEL examination • To provide better internet Facility.	• The institute is planning to sign MOU with industries to foster a better research culture. • Special coaching class are organized for the Benefit of Student to face competitive examinations • Additional smart classrooms were installed and equipped with the latest technology. The library budget was increased to purchase new editions of relevant books and e-resources were made available. • To organize faculty development programs FDPs/conferences/guest lectures focusing on integrating advanced technology and strengthening research skills. • Institute implemented the policy to reimburse examination fee of online certification courses after for the faculty who complete the certification course • The network infrastructure upgrade initiatives have started.
Alumni	• Improvement is needed in the quality of add-on	• Institute has decided to focus on this point and courses were organized

	courses/ value added courses. • Career guidance sessions were held for final year UG students and the professionals from the different field were brought to the campus for wider exposure. • Industrial visit was arranged especially for final year students of pharmacy to understand the norms and different skills. • Encourage Students to demonstrate and publish their research findings. • Organize frequent meetings for alumni for the benefits of current and former students. Also, take advantages of the placement hours. • Encourage students to participate in research and projects. • GPAT classes on regular basis.	accordingly. • We have planned for guest lectures on topic compromising of cGMP, current manufacturing scenario, research methodology and novel drug delivery system. • We planned for industry visits for giving practical knowledge to the students. • Students are encouraged to participate in national and international conferences, and workshops which will help them to prepare manuscripts for publication in SCI/SCOPUS Journals. • The institute has organized alumni meetings. • The institute assists students with research projects, research paper presentations, and publication at various conferences. • GPAT classes were introduced in syllabus on regular basis.
--	---	---

Employer	• Many employers felt students are poor in writing skills and basics and technical knowledge. Although the students are technically good, they were lacking written communication and oral skills. • The recruiters from Pharmaceutical Industries suggested that the participative games and team building, students need to be more focus and work with team effectively. • Students need to be aware of current industry practices. • Placement related activities should be conducted as per the need of industry. • Employer suggested to make students learn about use software's in animal studies. • Encourage students to think outside the box.	• As a part of Experimental learning, all the students are exposed to technical writing and presentation. • Communicative English course is mandatory in semester 1 and 2 for first year students. • Pre Placement talks were arranged for the Students Industry-related courses have been added to the curriculum. • The soft skill training focused more on participative games and team building activities. • Invited recourse person from industries were made address the students and introduced the corporate culture to them. OR The institute has planned and communicated with various industrial • Institute has decided to carry same incoming years to enhance industry institute interactions. • "Demonstration of animal studies using Ex-pharma software", EthovisionXT, Animal ITA was organized. • Industry-related courses have been added to the curriculum. • Outcome Based Education is used at the institute, which monitor student
----------	--	---

	Students need to improve their communication skill and planning abilities.	achievement by outcomes.
--	--	--------------------------

BUDGET AND INFRASTRUCTURE DEVELOPMENT

- Budget allocated for Laboratory: Rs. 25.00 Lacs
- Budget allocated for repair and maintenance: Rs. 1.30 Crore
- Expenditure for chemicals/glasswares/Instrument purchase: Rs. 41.69 Lacs
- Expenditure for repair and maintenance: 80.04 Lac
- Conference/workshop expenses: 13.42 Lacs
- Sports and cultural activity expenses: 2.01 Lacs

The infrastructure i.e. class rooms, laboratories, equipments and glasswares were created and developed for the commencement of Pharm. D course from the academic session 2024-25. The infrastructural development of Boy's and Girl's hostels was done with the construction of new residential block for students.

SPORTS & CULTURAL ACHIEVEMENTS OF STUDENTS

The **Hand ball and Volleyball team** of institute achieved **1st Runners Up Position** in HPTU, Hamirpur (University level) sports meet organized by Minerwa College of Pharmacy, Indora, H.P. The students of the institute secured **1st position in Group Dance, 1st Runner up position in Group dance (Patriotic), and 2nd Runner up position in Skit** in HPTU, Hamirpur (University level) cultural meet.

PLACEMENT AND STUDENTS PROGRESSION

The placement of students also reflects the quality of institute and its students. In the year 2024-25, 82% of B. Pharm and 79% of M. Pharm students were placed in well reputed Pharmaceutical companies such as Macleods Pharmaceuticals, Baddi, Health Biotech Ltd., Baddi, Jubilant life sciences, Delhi and Ananya Herbals Pvt. Ltd, Delhi with an average pay package of Rs. 15000/- per month for B.Pharm and Rs. 23000/- per month for M. Pharm. Our B. Pharm Passed out students of Year 2025 are pursuing their higher studies form reputed Central, State and Private Universities such as MRSPTU, Bhatinda; ISF College of Pharmacy, Moga, Punjab; Chandigarh University, Jalandhar; Ryat Bahra University, Mohali; Lovely Professional University, Jalandhar; MMU, Mulana, Ambala; and Chitkara University, Baddi.

AWARDS/HONORS RECEIVED BY FACULTY

Prof (Dr) M. S. Ashawat, Resource person in International Conference on 'AI solution for Pharmaceutical, Bioscience and Environmental Management' organized by Sri Sai University, Palampur, 23-24 March 2025.

Prof (Dr) Vinay Pandit, Resource person in International Conference on 'Advancing Pharmaceutical and Health Sciences: Merging Innovation, Research and Academia' organized by School of Pharmaceutical Sciences, Career Point University, Hamirpur, 20-21 Nov 2024.

Prof (Dr) C.P.S Verma, Resource Person in International Conference on 'Advancing Pharmaceutical and Health Sciences: Merging Innovation, Research and Academia' organized by School of Pharmaceutical Sciences, Career Point University, Hamirpur, 20-21 Nov 2024.

Prof (Dr) Pravin Kumar delivered expert lecture to Faculty of ABVGIT, Pragatinagar, Shimla for preparation of NAAC SSR on 03/02/2025 and Faculty of RGEC, Nagrota Bagwan on 14/02/2025.

Prof (Dr.) Mahendra Singh Asahwat, Prof (Dr.) Vinay Pandit, Prof (Dr.) C.P.S Verma, Prof (Dr.) Shivkumar Kushawaha, Mr. Nishant Goutam, Mr. Ajay Kumar, Mr. Devraj, Dr. Mayank Baranwal, Dr. Swati Rana, and Dr. Tarun delivered expert lectures in CEP programs organized by State Pharmacy Council, Himachal Pradesh.

INTELLECTUAL PROPERTY RIGHTS/PUBLICATIONS/BOOK/BOOK CHAPTERS

ACHIEVEMENTS

Name of Faculty	Title of Patent	Country	Status
Dr. M. S Ashawat, Dr. Shivkumar Kushawaha	Instrument for screening effect of anti-anxiety medicine in rodents	Indian	Granted
Dr. Amardeep Ankalgi	Thermogravimetric Analyzer (TGA) for Thermal Stability Analysis of Synthetic	Indian	Granted
Dr. Amardeep Ankalgi	Advanced HPTLC for qualitative analysis of chemical compounds	Indian	Granted
Mrs. Dimple Kumari, Mrs. Arti Devi	Nano high performance liquid chromatography apparatus	Indian	Granted
Mrs. Vandana Bhatia	"AI based apparatus for preparation of nanolipoidal systems for the management of cancer"	Indian	Granted
Dr. Aditi Kaushik, Dr. Amardeep Ankalgi, Dr. M. S Ashawat	A novel formulation for dental abscess and process thereof	Indian	Granted
Sahil Chopra, Sanket Sharma, Dr. M. S. Ashawat, Dr. Vinay Pandit, Dr. Pravin Kumar, Dr. Amar deep Ankalgi, Dr. Tarun kumar, Mr.	Automated artificial intelligence based distillation unit	Indian	Granted

Ajay Kumar, Dr. Shiv kumar,			
Dr. Mahendra Singh Ashawat, Dr. Amar Deep Ankalgi, Dr. Manish Sinha, Mr. Anirudh Verma	Water Purifier integrated with Biofiltration Device	Indian	Granted
Mr. Himanshu Kumar, Kanika Vashish, Shiv Kumar Kushawaha , Dr. Amar Deep Ankalgi, Dr. Mahendra Singh Ashawat	Automated medicines dispensing kiosk	Indian	Granted
Dr. Shivkumar Kushawaha	Balloon device for invasive monitoring of uterine contractions in female rats	Indian	Granted
Dr. Vinay Pandit	AI-enable Automated Drug Formulation Analyzer	Indian	Granted

In the Year 2024-25, the faculty members and the students have published more than 30 research/review papers in SCI/SCOPUS/UGC Care listed journals with total impact factor of 45.18. Our faculty member Prof (Dr) Shiv Kumar Kushawaha, Mr. Devraj, Mrs. Monika Rana, Mrs. Vandana Bhatia, Mr. Dhiraj Kumar, Mrs. Dimple Kumari and Miss. Ruchika Sharma published 10 different book chapters in reputed publishers i.e. Elsevier, Shaswat Publication, Nova publishers, Deep Science publishers and Cambridge Scholars.

FACULTY PARTICIPATION IN PROFFESIONAL DEVELOPEMNT PROGRAMS

Sr. No	Name of Faculty	Type of Activity	Title of Event	Date and Duration	Place
1.	Dr. Mahendra Singh Ashawat	International conference	Social and Scientific Awakening in the era of Quantum World	25 th May - 27 th May 2025	MCM DAV college, Kangra.
		International conference	AI solution for Pharmaceutical ,Bioscience and Environmental Management	23 rd -24 th March 2025	Sri Sai University, Palampur, Himachal Pradesh

		International conference	Innovation in Mesoscience and nanotechnology	13 th -14 th September 2024	Laureate Institute of Pharmacy, Kathog
2.	Dr. Vinay Pandit	Faculty development Program	Empowering Faculty through 'Enhancing Teaching skills in Pharmaceutical Education	2 nd January - 8 th January 2025	ISF college of Pharmacy, Moga Punjab
		One day National E-workshop	AI Tools for Research	27 th November 2024	Himchal Pradesh university Shimla
		International Conference	Advancing Pharmaceutical and Health Sciences : Merging Innovation, Research and Academia	20 th - 21 st November 2024	Career Point University Hamirpur
		National conference	Emerging Trends, Opportunities and Challenges in Pharmaceutical Sciences	28 th September 2024	Minerva college of Pharmacy, Indora
		International conference	Innovation in Mesoscience and nanotechnology	13 th -14 th September 2024	Laureate Institute of Pharmacy, Kathog
3.	Dr. Pravin Kumar	Malaviya Mission Teacher Training Programme	NEP 2020 Orientation and Sensitization Programme	13 th -23 rd January 2025	Mata Vaishno Devi University, Katra, J and K
		Faculty development Program	Empowering faculty through enhancing teaching skills in pharmaceutical education	2 nd January - 8 th January 2025	ISF college of Pharmacy, Moga Punjab
4.	Dr. Amardeep Ankalgi	Faculty Development Program	Role of AI in Healthcare systems	21 st July – 25 th July 2025	Society of Pharmaceutical Sciences and Research

		International Conference	Computational drug design: Trends, Challenges, and future Perspectives	22 nd march 2025	Govt. College of Pharmacy Rohru
		Workshop	One day workshop on HPLC,	13 th march 2025	Guru Nanak institute of Pharmacy, Dalewal, Hoshiarpur, Punjab
		International webinar	Gene Polymorphism Associated with treatment outcome of Morphine among cancer pain patients.	19 th January 2025	Society of Pharmaceutical sciences and Research ,India
		International webinar	EGCG as an emerging antihypertensive agents	12 th January 2025	Society of Pharmaceutical Sciences and Research
		workshop	Hands on Pharmacophore and Multi-Ligand Docking –based Virtual Screening	20 th October 2024	Society of Pharmaceutical sciences and Research ,India
		International conference	Innovation in Mesoscience and nanotechnology	13 th -14 th September 2024	Laureate Institute of Pharmacy, Kathog
5.	Nikhil Sharma	Faculty Development Program	Empowering faculty through enhancing teaching skills in pharmaceutical education	2 nd January - 8 th January 2025	ISF college of Pharmacy, Moga Punjab
6.	Monika Rana	Faculty Development Program	Empowering Educators: A Training of Trainers for Excellence in Teaching & Research	3 rd June 2025-5 th June 2025	Laureate Institute of Pharmacy, Kathog
7.	Ankit sharma	Faculty Development Program	Empowering Educators: A Training of Trainers for Excellence in Teaching & Research	3 rd June 2025-6 th June 2025	Laureate Institute of Pharmacy, Kathog
8.	Dimple Kumari	Faculty Development Program	Empowering Educators: A Training of Trainers for	3 rd June 2025-5 th June 2025	Laureate Institute of Pharmacy, Kathog

			Excellence in Teaching & Research		
9.	Arti Devi	Faculty Development Program	Empowering Educators: A Training of Trainers for Excellence in Teaching & Research	3 rd June 2025-5 th June 2025	Laureate Institute of Pharmacy, Kathog
10.	Dr. Swati Rana	Workshop	Workshop cum training Programme on Pharmacovigilance for NABH Accredited Hospitals	31 st January 2025	Fortis Hospital Mohali, Punjab
11.	Ruchika Sharma	Faculty Development Program	Empowering faculty through enhancing teaching skills in pharmaceutical education	2 nd January - 8 th January 2025	ISF college of Pharmacy, Moga Punjab
12.	Vandna bhatia	Workshop	High Performance Liquid Chromatography	27 th January 2025	CT university, Ludhiana Punjab India
		Faculty Development Program	Empowering faculty through enhancing teaching skills in pharmaceutical education	2 nd January - 8 th January 2025	ISF college of Pharmacy, Moga Punjab
		Workshop	Zebra fish model in Pharmacological research	10 th December 2024	CT university, Ludhiana Punjab India
		Workshop	AI Tools for Research	27 th November 2024	Himchal Pradesh university Shimla
13.	Dev Raj	Faculty Development Program	Empowering faculty through enhancing teaching skills in pharmaceutical education	2 nd January - 8 th January 2025	ISF college of Pharmacy, Moga Punjab
		International Faculty Development Program	Emerging Trends and techniques in Research Paper writing and conferring Intellectual Property Rights.	6 th -10 th August 2024	Galgotias University, India

14.	Astha Sharma	Faculty Development Program	Empowering faculty through enhancing teaching skills in pharmaceutical education	2 nd January - 8 th January 2025	ISF college of Pharmacy, Moga Punjab
15.	Shavinder Kumari	National Conference	Opportunities and Challenges of Digital Technology in the Healthcare Sector	9 th November 2024	Dreamz college of Pharmacy Sundernagar
16.	Ankita	Faculty Development Program	Empowering faculty through enhancing teaching skills in pharmaceutical education	2 nd January - 8 th January 2025	ISF college of Pharmacy, Moga Punjab
		International Conference	Innovation in Mesoscience and nanotechnology	13 th -14 th September 2024	Laureate Institute of Pharmacy, Kathog
17.	Dr. Aditi Kaushik	Faculty Development Program	Empowering Educators: A Training of Trainers for Excellence in Teaching & Research	3 rd June 2025-5 th June 2025	Laureate Institute of Pharmacy Kathog
		Workshop	AI tools for Research	27 th November 2024	Himachal Pradesh University, Shimla
18.	Archana Chaudhary	Faculty Development Program	Transformative Teaching: Integrating NEP 2020 and Outcome based Education	21 st -25 th July, 2025	ICFAI University Himachal; Pradesh
		Faculty Development Program	Empowering Educators: A Training of Trainers for Excellence in Teaching & Research	3 rd June 2025-5 th June 2025	Laureate Institute of Pharmacy Kathog
		National Conference	Future of Pharmacy : Emerging Trends and Opportunities	9 th october 2024	Maharaja Agrasen University, Baddi
19.	Akshay Thakur	Faculty development Program	Empowering faculty through enhancing teaching skills in pharmaceutical education	2 nd January - 8 th January 2025	ISF college of Pharmacy, Moga Punjab

**ACADEMIC ACTIVITIES/INDUSTRIAL VISITS/CULTURAL/SPORTS ORGANISED
BY THE INSTITUTE**

In the academic year 2024-25, the institute has organized various co-curricular and extra-curricular activities such as community outreach programs, collaborative events, celebration of National days and cultural festivals and other activities as a part of curriculum enrichment for the overall holistic development of faculty members and students. The different activities were organized by IQAC, IIC and different clubs/cells of Laureate Institute of Pharmacy.
