Report on World Yoga Day

Yoga is a symbol of generating balance and peace, and everyone should include it into their daily lives. Keeping these advantages in mind, International Yoga Day is viewed as a chance to raise awareness about the benefits of yoga. The core of yoga is balance, not simply within the body or between the mind and the body, but also in the human interaction with the world. Special Swachhta Campaign on 12th of August, 2017

Prime Minister Shri Narendra Modi exhorted people to fulfill Mahatma Gandhi's vision of Clean India. The 'Swachha Bharat Abhiyaan' (CLEAN INDIA MISSION) is a massive mass movement which was launched on 2nd October, 2014; the 145th Birth Anniversary of Mahatma Gandhi that seeks to create a Clean India within a period of 5 years. Cleanliness was very close to Mahatma Gandhi's heart. A clean India will be the best tribute we can pay to Bapu when we celebrate his 150th birth anniversary in 2019. Now the time has come to involve ourselves towards 'Swachhata' (cleanliness) of our motherland. Hon'able Prime Minister Sri Narendra Modi called for nationwide campaign involving all sections of the Society to create a mass awareness on the cleanliness. Swachha Bharat Abhiyaan exhorts people to devote 100 hours every year towards the cause of cleanliness. As many as nine public figures: Mridula Sinha, Sachin Tendulkar, Baba Ramdev, Shashi Tharoor, Anil Ambani, Kamal Hasan, Salman Khan, Priyanka Chopra and Team Tarak Mehta ka Oolta Chashma - have been invited by the PM to make a contribution towards Swachha Bharat, share the same on social media, and invite nine other people to do the same, hence forming a chain. People also asked to share their contributions on social media using the hash-tag #My Clean India.

The campaign was initiated from the cleanliness drive of our Campus and surrounding areas in July 2017. All the volunteers participated in the campaign and transformed the area to a beautiful site which was a dream to think of and we are continuing this campaign.
