DIST. KANGRA (HP)

discharge his/her official duties satisfactorily etc. giving 3 months' notice or 3 months' salary in lieu thereof.

5. No application of an employee seeking employment elsewhere shall be forwarded during period of probation. On completion of probation not more than two applications per academic (June-July) year shall be forwarded for outside jobs.
6. All employees shall have to give three month notice in case he/she desires to be relieved on resignation and alternatively he/she shall pay 3 month-salary in lieu thereof. The resignation shall come into force from the date of accepting the resignation by the management/Principal or date of his/her relief, whichever is earlier. For all the employees in the institute, personal file and service register shall be maintained with regular updating as per the norms.

LEAVE RULES

General Leave Rules

1. Leave cannot be claimed as matter of right. The sanctioning authority has full discretion to refuse or revoke any kind of leave when the exigencies of services demands.
2. A leave account shall be maintained for each employee in an appropriate register.
3. An employee shall not take up any service or employment while on leave.
4. Principal shall be the competent authority to sanction all the leaves on recommendation of HOD. In case of Principal, Managing Director/Secretary shall be the authority to sanction leaves.
5. Either prefixing or suffixing any kind of leave with vacation is allowed after prior approval.
6. Employees when deputed on official duty or on institute work, the period of their absence shall be treated as 'On duty'.

Casual Leaves

1. All employees of the institute shall be entitled to 12 days of casual leaves other than the gazette leaves.
2. Casual leave in and one stretch should not exceed seven days in total period of 10 days, prefixing, suffixing or sandwiching with public holidays.
3. Casual leaves for half day for an employee can be granted for the forenoon or afternoon session.
4. In normal circumstances casual leave requires advance sanction. The employee has to make alternate arrangement for his/her work.

DIRECTOR CURRICULUM
LAUREATE IN
OF PRACTICE
JER. S. MALAMBA
D. T. BANGORANG

Himachal Pradesh State Government/University scales of pay as applicable from time to time shall be adapted to the posts classified as non-teaching staff.

2. Allowances: Dearness, house rent and other allowances as per the H.P State Government rates and rules as extended as annual increments by management are adapted from time to time to all regular employees of the college accordingly to permissible budget.
3. Regular increments shall be sanctioned by the Principal only after satisfactory performance of the employee and that also after recommendation from the respective Head of the Department in the prescribed Performa. In the case of HOD, Principal is the sanctioning authority. In the case of Principal, Managing Director is the sanctioning authority. In the case of employee in the office, the Principal is the sanctioning authority on the recommendation of office superintendent.

The management shall have authority to withhold an increment for a period not exceeding one year as a disciplinary measure on sufficient and valid reasons and after employee has been given fair opportunity to defend oneself.

PROMOTION

- Promotion in respect of members of faculty would be in tune with the guidelines of the Career Advancement Schemes (CAS) prescribed by AICTE, i.e. **Performance Based Appraisal System and the minimum prescribed scores in academic performance indicator** will be the criteria. The CAS also suggests the formulation of a screening committee including representative of Governing body, Principal, University Nominee and Subject Expert.
- Promotion in respect to all other categories of employee shall generally be in line with the state government norms and performance based appraisal.

GENERAL SERVICE CONDITIONS

1. All the employees of the institute shall be subject to the general disciplinary and conduct rules of the institute.
2. All the employees of the Institute are required to be present during working hours of the institute on all working days.
3. An employee of the institute shall devote his/her working time to the service of the Institute and shall not engage directly or indirectly in any trade or business or private tuition or any other work, which is likely to interfere with proper discharge of his/her duties. The provision shall not apply to the academic work related to University examinations, question paper settings, delivering guest lectures or any other work undertaken with prior permission of the Principal/Management.
4. The services of an employee, probationer or permanent are liable to be terminated on ground of fraud, gross indiscipline, negligence of duties, prolonged illness, disability to

DIRECTOR
INSTITUTE

DIST. KANGRA (J.P.)

committee and appointment letters to the Teaching and Non-Teaching staff shall be issued by the Managing Director of the Institute. The appointment of Director/Principal shall be informed to the Governing body in the due course of time.

Some permanent posts may be filled from existing employees as per the norms of AICTE/PCI or affiliating University.

An employee after joining should submit all the relevant documents for educational qualification, age, address proof, PAN CARD, ADHAR NUMBER and other document required as per need.

Probation

Unless otherwise specified, all appointments against the regular posts will normally be on probation period for one year. The period of probation may extend in individual cases as per the discretion of appointing authority.

Confirmation

After completion of probation period, an employee will be eligible for confirmation on the basis of self-appraisal report. The self-appraisal report will be submitted to the concerned department in-charge, who will forward the same to the appointing authority for needful.

Termination of/Resignation from Services

The institute reserves the right to termination the services of any employee by giving three months' notice in writing without assigning any reason or by paying the Notice Pay for the equivalent period in lieu thereof.

The institute shall have the right to terminate the services of an employee without giving any compensation whatsoever, should the employee be found guilty of breach of trust, insobriety, addiction of drugs, dishonesty, loss of mental balance, found guilty of sexual abuse, neglect of duty or conduct considered detrimental to the interest of the Institute.

An employee also reserve the right to resign from the services of the Institute by giving three months' written notice exclusive of the period of the vacation availed during the notice period. The faculty members or technical staffs are generally not allowed to leave the service during continuation of semester. Legal steps may be taken if an employee leaves without notice. The resignation letter submitted by an employee, when a disciplinary case initiated against him, will not be accepted.

PAY, ALLOWANCE AND INCREMENTS

1. AICTE/UGC scales of pay as applicable from time to time shall be adapted to the post classified as teaching staff.

DIRECTOR

OF PHARMACY, KATHOD
154, ADHAR NAGAR
DURGAM CHOWKI

Special Leave

1. All the teaching staff members are entitled to have special leave upto 15 day in calendar year to take up examination work in our college or outside, to attend conferences, seminars etc.
2. Special casual leaves may also be granted for attending to calamities subject to prior approval after exhausting all casual leaves.

Half Pay Leaves

1. The half pay leave may be granted to regular employee on medical grounds and on private affairs at the rate of 20 days per calendar year.

Commutated Leave not exceeding half the amount of half-pay leave due may be granted on medical grounds to permanent employees subject to the following conditions:

- i. Commuted leaves during the entire service shall be limited to a maximum of 240 days.
- ii. When commuted leave is granted, twice the amount of such leave shall be debited against the half pay leave due.

Maternity Leaves

1. All the women employees are entitled to maternity leave of 90 days each for first two pregnancies.

Faculty Improvement Program

The faculty members may be permitted to improve their academic qualification by attending courses/research work in higher institution for learning. The maximum number of faculty deputed is restricted to one member per department per year. In such cases the faculty member is entitled to receive half of his salary during this period of study.

Management is the sanctioning authority for such leave on the recommendations of the Principal and Head of the Department concerned.

Grant of Lien/ Extraordinary Leave

Extraordinary leave may be granted to all regular employees by Principal/Management to work elsewhere for a period of one year, when an employee put a service of 5 year or more continuous service in the institution. During such leave he/she shall not be entitled for any pay or allowances.

DIRECTOR GENERAL

LEAVE RULES FOR CONTINGENT STAFF

All the contingent staff of the institute is eligible are eligible for a casual leave of 12 days in a calendar year and other leaves of 12 days.

TRAVELLING ALLOWANCE, DAILY ALLOWANCE, LOCAL TRANSPORT

Employees of the institution when deputed to any outstations shall be entitled to travelling allowance, daily allowances and other permissible expenses they incur on production of valid documents. It a fundamental principal that allowances is not to be a source of profit and no allowance is granted to cover the expenses of family members travelling with them when on duty.

CONDUCT RULES FOR ALL EMPLOYEES

1. Every employee shall be governed by these rules and liable for disciplinary action in case of breach of these rules.
2. Every employee shall at all-time maintain the integrity of character, be devoted to his/her duty, be honest and impartial in his/her official dealings. He/she shall exhibit utmost loyalty and always act in best interest of the institute.
3. An employee shall be required to observe schedule hours of the working during which he/she must be present at the place of his/her work. No employee shall be absent from duties without prior permission. Even during leave or vacation no employee shall leave the station without informing to the competent authority. While leaving the station an employee shall inform to the competent authority in writing about the address and contact number on which he/she will be available during the period of leave.
4. No employee shall be a member of any political party or take part in politics or to be associated with any party or organization, which take part in political activity, nor shall aid or assist in any manner any political movement or activity.
5. No employee shall make any statement, publish or write through any media which has the effect of an adverse criticism on any policy or rule of the institute.
6. No employee can engage directly or indirectly in any trade or private tuition or undertake employment outside official assignment, whether for profit or not.
7. An employee against whom insolvency proceedings commenced in a court of law shall forthwith report full facts thereof to the institute.
8. An employee against whom any criminal proceedings have been initiated in a court of law shall immediately inform to the competent authority of the institute regarding details thereof.
9. Whenever an employee wishes to put forth any claim or seeks redress of any grievance he/she must put his/her case in writing through proper channel to the competent authority and shall forward any advance copies of his/her application to higher authority unless the competent authority rejected his/her claim or rejected to redress his/her grievance.

DIRECTOR
LAUREATE INSTITUTE

10. An employee who commits any offence or negligence of duty or does not act detrimental to the interest of the institute is subject to an enquiry and disciplinary action by the competent authority.
11. No employee shall engage in strike or incitement thereto or similar activities such as absence from work or neglect of duties etc. Violation of this rule will amount to misconduct and attract deterrent punishment.

DISCIPLINARY ACTION

1. All employees are liable of disciplinary action for disobedience, misconduct and negligence of duty. However such disciplinary action shall be taken after establishing the grounds on basis of which disciplinary action has been initiated and after a reasonable opportunity has been provided to the employee to defend himself/herself.
2. As part of disciplinary action, the following punishment for good and sufficient reasons may be imposed upon the employees of the institution, after establishing the facts about committing an offence or negligence of duties.
 - Censure
 - Withholding increment/promotion
 - Recovery from his/her salary whole or part of any loss caused to the institute due to the negligence of duty or breach of trust/order/rules.
 - Suspension from services
 - Removal from services
 - Dismiss from services
3. An employee can appeal against disciplinary action by competent authority to governing body/management of the institute.

Assessment by HOD

Name Dr. Shubham Sharma Designation Asst. Professor

Kindly provide your assessment on the five point scale in respect of the following parameters

Outstanding Very Good Good Satisfactory Unsatisfactory
5 4 3 2 1

Please indicate your evaluation on each parameter by putting in the appropriate number in the column opposite the parameter. In case the rating is Unsatisfactory, Please give reasons thereof separately.

A. Keeping in view the information furnished by the faculty member, please provide your assessment on the following parameter:

I.	Teaching load and regularity in taking class	Yes/NO	2
II.	Research guidance to students if any	Yes/NO	3
III.	Any project completed other than the student projects	Yes/NO	3
IV.	Innovation/ experiments introduced in the course	Yes/NO	3
V.	Contribution in curriculum development	Yes/NO	2
VI.	Intellectual capital (Book/ Articles/ Patents/ Talks)	Yes/NO	3
VII.	Publication in refereed journals	Yes/NO	2
VIII.	Organizing and participation in seminars/ workshops, special lectures, FDP's, Summer institutes	Yes/NO	3
IX.	Contribution to the corporate life of the college/ university	Yes/NO	3
X.	Membership or fellowship of professional/ Academic bodies	Yes/NO	2

26

B. Performance and General Attributes (Weightage-50)

I.	Knowledge in the sphere of work	3
II.	Quality of output	3
III.	Communication skill (oral and written)	3
IV.	Initiative and adaptability (Resourcefulness in handling normal and unforeseen problems and willingness to take responsibilities in the new area of work)	2
V.	Aptitude to work	3
VI.	Ability to inspire and motivate	3
VII.	Supervisory ability	2
VIII.	Interpersonal relation and team work	3
IX.	Integrity and Trustworthiness	3
X.	General conduct	2

25

Total score: A+B =

$$26 + 25 = 51$$

Faculty Performance Appraisal (Session-2020-21)

SELF ASSESSMENT REPORT

1. Name Dr. Shrikanth Sharma Designation Assistant Professor DOJ 1 Aug 2019
 2. Academic Qualifications (Mention if any additional qualification has been acquired during the year under review) _____

3. Name of the Course taught during the year
 Sub. Pharmacy Practice S.A T/P VII Sem. _____
 Sub. Hospital Technical Pharmacy (Diploma) T/P 2nd Sem. 1 year
 Sub. Pharmaceutical Microbiology T/P III Sem. _____
 Sub. Pharmacokinetics I, II, III CB-Pharm (Bachel) T/P 1, 2 Sem. 1 year
 Sub. Pharmacovigilance T/P VIII Sem. _____

4. Maximum no. of periods per course available in the available in the semester as per Time-Table (Lectures & Practical) Total classes taken out of Prescribed

Sub 38 Sub 42 Sub 30 Sub online Sub 38

5. Teaching load mentioned in time table (Lectures & Practical)

No. Of the Total Lectures (including Tutorials) delivered	Shortfall	Practical periods taken	Shortfall
	Nil		Nil

6. Reasons for shortfall, if any, in Lectures and practical taken.

Nil

7. Solved Specific problem of students if any, or taken initiative to solve.

- Solve various problems of students regarding preparation of various tests, preparation of notes during Corona pandemic
 - Guide the students regarding Hospital training.
 - Guiding the students regarding project work, working on seminar, research work.
8. Any Research Proposal Proposed or submitted till date if not give reason
 Working on it (Error in work due to Corona pandemic)

9. Any project completed other than routine teaching

Nil

 DIRECTOR CUM PRINCIPAL
 LAUREATE INSTITUTE OF
 PHARMACY KATHOG

10. Any New Experiment added in the practical course

Making Lab manuals, add experiments as soft copy
 for Diploma 1st & 2nd year practical file under the
 guidance of Vice-Principal.

11. Any innovation if introduced related teaching
- Preparation of study of active video on synthesis of amino acids etc
 - making Q&A of give me 10 type exam related to class
 - Original revision testing, Quiz based game after lesson
 -
12. Papers published (give the title, Co-author if any, give details of the journals. Attach separate Sheet, if necessary)
- Chapter on CTC medication sent for review
 -
 -
 -
13. Any contribution in Laboratory/Course Development
- Prepared Lab Manual for 1st year (Biology) and 2nd year Diploma (Hospital & Clinical Pharmacy)
14. Contribution to Industrial Development in the form of consultancy/sponsored R.D/ Industrial tie up
- Only Hospital Training related consultancy, making certificates to enable the admission certificate of our institution
15. Contribution to Corporate life of the college/ university
- Try to put efforts in advancement of college.
 - Contribute & took 4 admissions in B.Pharm / D.Pharm
 - Try my best in various functions & wherever institute. Organise the Conferences
16. Contribution to Scientific/ technical education through publication of book chapter/textbooks and laboratory Manual
- Laboratory manual of Hospital & Clinical Pharmacy
 → Laboratory manual of Remedial Biology
17. Summer institute, refresher or orientation course attended, during the year, give details
- Nil
 -
 -
18. Membership or fellowship of professional/ academic bodies, societies etc. give details
19. Brief Critical thinking idea which is relevant to the assessment of students by teacher
- Correcting the students of B.Pharm and D.Pharm, (B.Pharm books)
 → Making sure regarding the scope update to 4th year and
 → Guidance to help of recent research work
20. Any step taken for resource/ funds generation. Give a brief description (Attach separate sheet, if needed)
- Nil

21. Present salary 20,000 Last Increment 1400 Expected 2600

DIRECTOR CUM PRINCIPAL

SPER INTERNATIONAL ONLINE CONFERENCE

Theme
**"Empowering pharmacists for next generation:
 To improve health and wellness"**

Organized by:- Society of Pharmaceutical Education & Research (SPER)

MAY 30-31, 2020

Certificate OF PARTICIPATION

This is to certify that Prof./Dr./Mr./Mrs./Ms. SHIVANI SHARMA
 has participated in the SPER International Online Conference.

Prof. Dr. J. S. S. Saha
President,
 Society of Pharmaceutical Education
 & Research (SPER) India

Dr. Suresh Kishore
Secretary,
 Society of Pharmaceutical Education
 & Research (SPER) India

Supported by

**A National Conference Sponsored by
 Himachal Pradesh Technical University (HPTU)**

on

Herbal Drugs : "The Present & Future Scenario: An Overview"

12th-13th February 2020

Certificate

This is to certify that Dr./Mr./Ms. SHIVANI SHARMA of
Laureate Institute of Pharmacy, Kathog, Jawalamukhi (H.P.) Participated as Keynote Speaker/
 Resource Person / Evaluator/ Paper Presenter (Oral / Poster) / Delegates in the National Conference
 organized by "Himachal Institute of Pharmaceutical Education & Research, Nadaun, Himachal Pradesh.

Chairman
 Mr. Ashok Sharma

Organizing Secretary
 Dr. Rohini Divedi

 DIRECTOR CUM PRINCIPAL
 LAUREATE INSTITUTE
 OF PHARMACY

Himachal Pradesh Technical University

Sponsored

Two Days

National Conference

on

"Quality by Design: Vital Necessity for Contemporary Epoch"

7th - 8th February, 2020

Organized By

Laureate Institute of Pharmacy

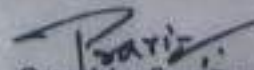

Certificate

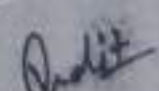

This is to certify that Prof./Dr./Mr./Ms.

Rajesh Gautam

has participated as a Participant in the conference on "Quality by Design: Vital Necessity for Contemporary Epoch" held at Laureate Institute of Pharmacy, V.P.O. Kathog, Tehsil Jwalamukhi, Distt. Kangra, H.P. and presented a Poster / Oral Presentation on _____

Programme Coordinator
Dr. M. S. Ashwat

Organizing Secretary
Mr. Pravin Kumar

Convener
Dr. Vinay Pandit

**ICMR AND HPTU SPONSORED
NATIONAL CONFERENCE**

**ON
AN ALTERNATIVE TO ANIMAL TESTING**

Theme: "Replacement, Reduction, Refinement to Animal Experimentations"

21st & 22nd February 2016

Organized By: Laureate Institute of Pharmacy, Kathog, Kangra (H.P.)

Certificate

This is to certify that **Prof./Dr./Mr./Ms. KIRAN**
has participated in the conference as a Invited speaker/Delegate/ Presented a Poster/Oral

000

National Conference

On
Modern Spectral Based Techniques in Pharmaceutical Analysis
MSBTPA 2021

24th - 25th December 2021

Organized By:
Laureate Institute of Pharmacy, Kathog, Kangra (H.P.)

Certificate of Participant

This is to certify that Prof./Dr./Mr./Ms. M. Lakshmi Narayana
 has participated as a participant in the conference on Modern Spectral Based Techniques in
 Pharmaceutical Analysis MSBTPA 2021, held at Laureate Institute of Pharmacy, Kathog.

22/06/2021

10/20

Test no. 2nd

- Q1 Define partition coefficient & explain the methods to determine partition coefficient.
- Q2 How angle of repose are determined for modification.
- Q3 Write the impact of polymorphism in granulation.
- Q4 List out the physicochemical and pharmaceutical characters of drug substance.

Q2

Ans Angle of Repose :- Angle of repose is defined as the internal angle between the pile of the powder and horizontal surface of the plane.

∴ $\tan \theta = \frac{h}{r}$

$\theta = \tan^{-1} \frac{h}{r}$

where as, θ = angle of repose
 h = height of pile
 r = radius of the pile

Flow Properties	Angle of Repose
Excellent	8-35
Good	31-35
Fair	36-40
Poor	46-55
Very poor	56-65
Very very poor	>65

DIRECTOR GENERAL
LACHE INSTITUTE
OF PHARMACY KATHOD
1ST FLOOR, KATHOD
KANGRA

Q4

Ans Physicochemical characteristics of drug substance:-

-) compound identity
-) structure
-) formula and molecular weight
-) Therapeutic Induction
-) Intensity of bulk
-) Analytical Measure
-) Critical development
-) Hydrolysis
-) Oxidation
-) Reduction
-) Racemization
-) Polymorphism

Pharmaceutical characteristics of drug substance:-

-) Purity
-) stability
-) Physical form \rightarrow Crystalline & amorphous form
-) Particle shape, size and volume, area
-) Density \rightarrow
 -) Bulk density
 -) Tap density
 -) $\text{density} = \frac{\text{mass}}{\text{Volume}}$

Q5

Ans. Impact of Polymorphism on granulation \rightarrow Polymorphism is defined as the formation of aggregates of different particles in ^{in specific form} poly = many & morphic = forms

- \rightarrow Polymorphism can affect the drug by decreasing its productivity
- \rightarrow Polymorphism can impact solubility
- \rightarrow Polymorphism can impact the stability of the granules

Types \rightarrow 1) enantiotropic

2) Iatropic

- \rightarrow Polymorphism may affect melting point
- \rightarrow Clustering of the granules can occur due to polymorphism

\rightarrow If the the size of particle decrease then rate of the stability increases.

\rightarrow If the size of granules is small its flow property increases

Q1 Ans Partition Coefficient \rightarrow

\rightarrow It is a ratio of ionised drug in oil phase to water phase. It is known as partition coefficient \rightarrow The phase of two immiscible liquids are in equilibrium

$$\text{Partition} = \frac{C_o}{C_w}$$

C_o = coefficient of ionised drug in oil phase

C_w = coefficient of ionised drug in water phase

→ Partition coefficient are useful to determine the distribution of drug in the body.

Methods to determine partition coefficient :->

- 1) Shake Flask Method
- 2) HPLC Method
- 3) ~~←~~ Slow stirring Method
- 4) Electrical Method

Q1 What are the goals and objectives of the preformulation studies. Explain physical and chemical properties in details. — 10 marks

- (a) Preformulation
- (b) Racemisation
- (c) Polymerisation
- (d) Oxidation
- (e) Reduction
- (f) Hydrolysis
- (g) Angle of Repose
- (h) Crystalline & amorphous substances
- (i) Hygroscopicity
- (j) Partition Coefficient

Q1
Ans Goals and Objectives of Preformulation studies

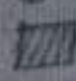

- 1) To determine the physicochemical properties of the drug.
- 2) To determine the pharmacokinetic and pharmacological rate of the drug.
- 3) To determine the compatibility of the new drug with excipients.
- 4) To develop optimal drug delivery system.
- 5) To estimate problems arise during preformulation.

Physical and chemical properties of the preformulation:

- Physical Properties →
- (i) Particle size
 - (ii) Particle shape & Area
 - (iii) Density of the particle
 - (a) Tapped Density
 - (b) Bulk density
 - (iv) Physical form
 - (a) Amorphous form
 - (b) Crystalline form
 - (v) Purity
 - (vi) Stability
 - (vii) Flow properties

(i) Particle Size → Particle size should be small and regular. Small will be particle size more stable will be preformulation.

 → round particle shape

 → square particle shape.

(ii) Particle Shape & Area → Particle shape & area should be decreased during preformulation so the stability of the preformulation increases.

(iii) Density → Density of the particle is $\frac{\text{mass}}{\text{volume}}$.

The density of particle is further classified as True density, bulk density, tapped density etc. These are passed by sieves.

(iv) Physical form \Rightarrow Physical form of the particle is classified on different types

① Crystalline solid form \Rightarrow crystal form is solid and is less soluble in nature

\rightarrow The arrangement of particles are solid and regular

② Amorphous form \Rightarrow Amorphous form of the particle is more soluble as compared to the crystalline form.

(v) Purity \Rightarrow The particle should be pure and free from the toxicants, TLC and HPLC is used for the determination of purity.

(vi) Stability \Rightarrow \downarrow particle size \rightarrow \uparrow stability of preformulation

\downarrow particle size \rightarrow \uparrow stability of formulation

\rightarrow Stability is one of the most important parameters.

\rightarrow Preformulation should be stable.

Chemical Properties

1) Hydrolysis

2) Reduction

3) Oxidation

4) Polymerisation

b) Rehydration

c) BCS classification

1) Hydrolysis \rightarrow Hydrolysis involves reaction of the particle with moisture and humidity content and get hydrolyzed

2) Reduction \rightarrow Reduction involves gain of an electron
Reduction involves loss of ~~the~~ oxygen & gain of hydrogen

3) Oxidation \rightarrow Oxidation involves gain of oxygen and reaction of particle as it comes in contact of oxygen.

4) Polymerisation \rightarrow It is the phenomenon of forming more than one form of crystals of a same compounds

5) BCS classification

Phase	Solubility	Permeability
Type I	High	High
Type II	High	Low
Type III	Low	High
Type IV	Low	Low

Goal \rightarrow To develop, safe, stable and effective dosage form.

(10)

(a) Preformulation :- Preformulation is a term which refers to the step undertaken before the process of formulation. Preformulation is used to determine physical and chemical properties of the drug.

(b) Polymorphism :- It is the ability of the particle to form more than one crystalline form.

The different forms are known as polymorphs and the phenomenon is known as polymorphism.

(c) Racemization :- The interconversion of one isomer into other may affect pharmacokinetic, pharmacological and toxicological properties.

(d) Angle of Repose :- Angle of repose is defined as the maximum internal angle between the top of the pile of the powder and horizontal surface.

$$\tan \theta = \frac{h}{r}$$

$$\theta = \tan^{-1} \frac{h}{r}$$

(e) Oxidation :- Oxidation is defined as the chemical reaction when particle comes in contact of oxygen. During ~~oxyg~~ oxidation gain oxygen and loss of hydrogen occurs.

(f) Reduction \rightarrow Reduction is defined as the chemical process which involves gain of hydrogen and loss of oxygen. \rightarrow It also involves gain of electron.

(g) Hydrolysis \rightarrow Hydrolysis is defined as the chemical process which involves reaction of the particle with water as humidity occurs, and get hydrolysed.

(h) Partition Coefficient \rightarrow Partition Coefficient is the ratio phase between the two immiscible liquids of two different phases.

$$\text{Partition Coefficient} = \frac{K_o}{K_w}$$

K_o = particle of oil phase

K_w = particle in aqueous phase

(i) Crystalline substances \rightarrow Crystalline substances are the particles which are present in crystalline solid form.

\rightarrow These are less soluble

\rightarrow These are more stable.

(j) Amorphous substances \rightarrow Amorphous substances are the substances in which ~~are~~ particles are present in the solid form but are

\rightarrow More soluble in liquid

\rightarrow These are less stable.

(1) Haprosopicity :- It is defined as ability of the particles to absorb moisture
