Report
on
“Scope of Pharmacy Education and its Societal Impact”
Lecture Session Organized by NSS Unit, Laureate Institute of Pharmacy,
Kathog

Date: 10th July 2025

The NSS Unit of Laureate Institute of Pharmacy, Kathog, took a commendable initiative by organizing an insightful lecture session on *“Scope of Pharmacy Education and its Societal Impact”*. The event was specially arranged as part of the **academic pre-vocational visit** by students from **PMSRIBKRGUSSS Dada Siba Sr. Secondary School, Kangra**.

A group of **30 enthusiastic students** along with **3 dedicated faculty members** from the visiting school participated in the event. The purpose of the session was to give young learners a glimpse into the ever-growing field of pharmacy and help them understand how pharmacists play a vital role in the healthcare system and community well-being.

The session began with a warm welcome by the faculty and NSS volunteers of the institute. The lecture, delivered by experienced faculty members of Laureate Institute, highlighted various aspects of pharmacy education – from academic paths and career options to the impact pharmacists have on public health, drug safety, and community service. Real-life examples and career success stories added a relatable touch, making the session interactive and inspiring.

The session also emphasized the societal responsibility pharmacists carry in ensuring rational drug use, educating the public, and improving health outcomes. Such initiatives by the NSS unit not only broaden young minds but also strengthen community-institution relationships, fostering a culture of learning, awareness, and inspiration.

Glimpses of the Event:
